BYOSS play at Bellinggen Masonic Village

It has become a tradition that we bring good cheer and beautiful music to the residents of the Masonic Village, known locally as Bellorana. This is a wonderful opportunity to bring joy to our older local residents through live music. Events like this are truly meaningful, as they not only uplift the audience but also give our young musicians a chance to share their talents in a heartfelt and impactful way. Live music brings such energy and connection, and we know the residents are eagerly looking forward to the performance. Your children's generosity in sharing their time and talent is deeply appreciated. We will play our polished 2025 repertoire and include two requested pieces, Danny Boy and The Skye Boat Song.

Event Details:

Date: Sunday 16th November

Where: The Masonic Village is located on the Cnr of Church and Watson Street (below the Hospital)

Time: DROP OFF @ 10:30am - PICK UP between 11:45am and 12noon.

WHAT PLAYERS BRING:

Players need their instruments and should bring a drink bottle. They also need to be dressed in presentable casual attire, please wear sunscreen and a hat. Please also remember your instrument and pegs for 'blow away' music! Due to lack of space and to ensure an awesome viewing experience for our elderly, no parents will be able to watch. Thanks for understanding.

SUPERVISION, EXTRA INFO & EMERGENCY CONTACT INFORMATION:

Players will be supervised by BYO Tutors Jacquie, Elizabeth, Susan, and Helen. Students are provided with a generous morning tea and have time to mingle with the residents. Perhaps they could think about topics to discuss with the old and wise members of our community. We hope all students make this concert as it is important to give generously from our hearts.

Emergency Contacts:

Jacquie (BYOSS): 0401 483 461

Elizabeth (BYOSS): 0403 686 267

Kind regards,

Jacquie, Susan, Lizzy, Helen and the BYO Organisational Committee.
