CHILD SAFETY PROTOCOLS – UPDATED.

During break times, players will be supervised in a designated area by appointed BYO representatives. As the dinner break is short, we ask that players bring something to eat so they do not need to leave the venue. If a player chooses to leave the venue, please note that they will no longer be under BYO supervision. Players must advise Annie or a BYO representative before leaving the high school grounds. Please also remember that if a P-plate driver is transporting a BYO player from the venue, written permission from both sets of parents is required. At the conclusion of the event, players must be collected from Bellinggen High School – Stockton Hall. Players are not permitted to wait outside the music rooms.
