PERFORMANCE INFORMATION

Please be on time and prepared. We always work toward an efficient pack up of chairs and return of equipment to the Music Rooms and under stage cupboard areas. We will be looking for parent volunteers to assist with this process. Thank you.

CHILD SAFETY PROTOCOLS – UPDATED.

During break times, players will be supervised in a designated area by appointed BYO representatives. As the dinner break is short, we ask that players bring something to eat so they do not need to leave the venue. If a player chooses to leave the venue, please note that they will no longer be under BYO supervision. Players must advise Annie or a BYO representative before leaving the high school grounds. Please also remember that if a P-plate driver is transporting a BYO player from the venue, written permission from both sets of parents is required. At the conclusion of the event, players must be collected from Bellinggen High School – Stockton Hall. Players are not permitted to wait outside the music rooms.

PERFORMANCE DRESS

All players should **come dressed in black** with skin covered. Black shoes and socks please! Please collect your player shirts from the TLS at 2.00pm– or any time after your arrival or after rehearsal.
